[/vc_column][vc_column width="1/2" el_id="1742874749804-e8dff4ed-69c8"][vc_column_text]The Auto Profile Experts 5 year Ownership Pricing system calculates the additional cost includes; all the items listed above. Those are components of automobile ownership you **MAY NOT** have considered when you purchased or leased your last automobile. This is information that will help you estimate the total system cost of buying and owning an automobile.

Cost of Ownership

All of the estimates are based on the following criteria.

1. You driving the automobile 15,000 miles a year
2. Your loan is at 60 months.
3. Your credit is better than average
4. Your down payment is 10%
5. You will be using standard financing
